Introduction

Perth County Information Network (PCIN) invites submission of quotes from vendors within the Perth County area interested in providing pickup and delivery services for library materials between PCIN library locations.

PCIN is a non-profit organization incorporated in 1999 whose mission is to share library resources across Perth County. In order to do this, PCIN provides a computerized library network that enables the residents of Perth County to have access to the resources of all of the participating libraries.

PCIN libraries include North Perth Public Library, Perth East Public Library, St. Marys Public Library, Stratford Public Library, and West Perth Public Library. 72,515 items were transported between locations in 2018.

This RFQ does not obligate PCIN to accept or contract for any expressed or implied services, nor does it obligate the vendor to accept or contract for any expressed or implied services. PCIN reserves the right to reject any or all quotes and to wave irregularities and informalities in the submission process.

Responses to this RFQ should be emailed to kroth@pcin.on.ca by 5:00 p.m. on Thursday, May 23, 2019. On average 40-60 bins are transported between locations during one delivery date (pickup / drop off numbers vary by location).

Deliveries will commence as soon as possible, with July 4, 2019 the latest start date.
